3. Reminder: Fire Relief Association Economic Interest Statements

Every year each board member and the chief administrative officer of a volunteer fire relief association are required to complete a *Statement of Economic Interest*. The Statement must be filed with the chief administrative officer of the relief association and be made available for public inspection during regular office hours at the association's office.

In addition, the chief administrative officer of the relief association must submit a *Certified Listing of Individuals Who Filed a Statement of Economic Interest* form to the Campaign Finance and Public Disclosure Board by **January 15**. This form must list all individuals who have filed a *Statement of Economic Interest* with the relief association for the preceding 12 months, along with the address of the office at which the statements are available for public inspection.

The *Statement of Economic Interest* and the *Certified Listing of Individuals Who Filed a Statement of Economic Interest* forms can be found at:

5. Avoiding Pitfalls: Local Government Compensation Limit

Minnesota law sets a compensation limit for local government employees. The limit is adjusted each year based on the Consumer Price Index. For recent years:

- Effective January 1, 2006, the limit was \$138,023.
- Effective January 1, 2007, the limit was \$139,817.
- Effective January 1, 2008, the limit was \$144,711.
- Effective January 1, 2009, the limit was \$150,065.
- Effective January 1, 2010, the limit remained at \$150,065.

Effective January 1, 2011, the new limit will be \$151,866.

The compensation limit applies to cities, counties, towns, and metropolitan or regional agencies, but not to school districts. Hospitals, clinics, and health maintenance organizations owned by governmental units are also not subject to the limit.

Detailed information on the compensation limit is available on the Minnesota Management & Budget website at: <http://www.mmb.state.mn.us/comp-salarycap-waiver>.
