### **3. Updated: Summary of Selected Relevant Statutes**

An updated version of the Selected Relevant Statutes summary is now available. The summary provides a short, easy-to-read companion to the Selected Relevant Statutes booklet prepared annually by the OSA. The booklet contains many of the State statutes relevant to relief associations. Relief association trustees are encouraged to download both documents

for reference when updating bylaws, making investment decisions, and calculating benefit payments.

#### **4. Avoiding Pitfalls: Update Bank Signature Cards**

When an employee of a local government entity or public official with check-signing authority no longer has that authority, that person's name should be removed immediately from the entity's bank signature card(s). This is a key internal control designed to manage and reduce the risk of a theft of public funds.
