2007 Tax Increment Financing Seminar. The Office of the State Auditor will be hosting a tax increment financing (TIF) seminar on March 15, 2007, at the Park Plaza Hotel in Bloomington, Minnesota, entitled *The TIF Network You Should Know*. The purpose of the seminar is to provide an opportunity for attorneys, auditors, local government officials, and others involved with TIF, to meet some of the key players who serve an important role in Minnesota in determining TIF law, policies, practices, and administration, as well as being instrumental in finding solutions to TIF issues.

A copy of the seminar brochure and registration form can be found on our website at www.auditor.state.mn.us. If you are interested in attending the seminar, we encourage you to register at your earliest convenience as we have already received a number of registration responses. This seminar qualifies for 6.5 CPE credits and we have applied for CLE credits.
